ON FRIDAY 13<sup>TH</sup> DECEMBER 2013 IN RIGA.**

This is the sixth event in the **Lecture Series** by well-known planners, policy-makers and other 'urban thinkers', which is being organised by AESOP and IFHP in the framework of respectively the Silver Jubilee (2012) and Centenary (2013). The lecturers have been asked to present their ideas on 'new vision' for planning and territorial development. The lecture will be rounded off with a question and answer discussion with the audience.

**Professor Hague** taught planning at Heriot-Watt University, Edinburgh for many years. He was President of the Royal Town Planning Institute and of the Commonwealth Associa-
