

AESOP QUALITY RECOGNITION FOR PLANNING PROGRAMMES

After a thorough examination of its contents and methods, the Master programme in

Architecture with specialisation in Urbanism

offered by the

University of Lisbon, Faculty of Architecture

has been highly distinguished with the

AESOP CERTIFICATE OF QUALITY

We certify that:

This programme fulfils the European quality standards of planning programmes according to the AESOP Charter, complemented by an effective internationalization of teaching and learning processes

This certificate is valid for a period of six years.

Porto, 22 January 2016

Francesco Lo Piccolo
AESOP President

Paulo Pinho
AESOP Secretary General
